

CHALET ECOLE / GRIMENTZ

Group accomodation - 32 beds

Self-management

The Chalet Ecole is a former school. When our village schoolchildren joined their little friends at the central school of Val d'Anniviers, the former school was converted into guest accommodation. This timber chalet, close to the administrative centre of Grimentz, has all the useful equipment you need to make your stay an enjoyable one. One 12-bed dormitory, two 6-bed rooms and a number of double rooms provide accommodation for up to 32 people.

The games area for toddlers and a basketball court for older children provide entertainment just outside the chalet. You can also enjoy the numerous activities on offer in Grimentz: skiing at 1500 to 3000 m altitudes, tennis courts, skating rink, informative trails, cultural tours, etc. not to mention that huge playground that is the Alpine countryside, which rises to a height of more than 4500 m here.

We look forward to welcoming you soon!
