Group accommodation - 25 beds

Themed holidays – Breaks tailored to you – Kids' camps

## The Gîte

Boasting 25 beds in bedrooms of varying size (containing either 2, 3 or 4 beds), the gîte is located 1 km from the centre of the historic village of Zinal and its cable car. In the summer, the village is the starting point for numerous hiking trails, which can be undertaken by everyone from families to expert mountaineers. Take a guide or explore by yourself, it's up to you! In winter, you can count on good snow cover from December to April, much to the delight of skiers of all abilities.

The gîte is ideal for groups of between 8 and 25 people and makes a perfect base from which to enjoy a wide range of activities aimed at all ages.

## Themed holidays

All year round we organise themed holidays for groups. This enables participants to get away from the demands of everyday life for a while and to enjoy some rest and relaxation in a stunning natural setting.
