

CREUX-DU-LAVIOZ

Skiing, sledging, all the family activities in the heart of the village.

The Creux du Lavioz snow garden is the ideal place to start practicing winter sports and skiing. Easily accessible on foot, the leisure centre is located in the centre of the village. Le Lavioz offers 2 children's ski lifts ideal for beginners. There is also a natural ice rink every winter for the enjoyment of both young and older guests. Part of the ski slope can also be used for sledging.
