

MINI GOLF / VERCORIN

Are you looking for an entertaining pastime that doesn't need too much physical effort? Mini golf is just what you need; suitable for all ages, it is ideal for family games.

Test your skill and dexterity by overcoming the fun obstacles of the 18 miniature golf courses.

Located just a few metres from the cable car, the minigolf is an opportunity to share a friendly moment with family and friends.

The refreshment bar, open in the summer, allows players to enjoy an ice cream or a cool drink on site while comparing their results.

Outside the opening hours of the refreshment bar, you can hire your equipment from the cable car restaurant when it is open, or from the cable car when it is closed.
