

PARAGLIDING / VERCORIN

Vercorin has a free flight site offering a wide variety of flights throughout the year. Whether for leisure or sports, Vercorin is an ideal playground for all pilots.

The Val d'Anniviers and Vercorin in particular is one of the most popular sites in Valais for lovers of Paragliding or delta because of the quality of the site and the winds.

Pilots will enjoy the 1,800 m of altitude difference at the start of the Crêt-du-Midi (2,336 m) accessible by ski lifts to enjoy one of the longest gliding flights in the Alps.

As for experienced pilots, the Val d'Anniviers and the Val d'Hérens (Vercofly area) are within reach of strong thermals that will often propel them to over 4,000 m.

The Twist'air paragliding school offers you courses, tandem flights and gift vouchers.
