

# ZAU ZOURA, FROM THE VILLAGE TO THE MID-ALPINE PASTURE

Zau Zoura reveals the ecosystem between the village and the mid-alpine pasture, and the integration of human beings into this environment over time. This educational trail is suitable for everyone - children and adults, local residents and visitors alike.

## **Practical information**

- **Season:** Accessible from May to November
- **Brochure:** free, available at Tourist Offices
- **Remarks:** 16 information posts at intervals along the trail The route may be shortened by cutting through from post 7 back to post 11 --> Short version: approx. 2½ hrs / 3.5 km / ascent/descent: +300 metres / -300 metres
- Look carefully, as posts 2 and 3 are below the path
- \*Option of shortening the walk by going directly from post 7 to post 11 (please note that the map inside the brochure is incorrect and shows the route being shortened at post 6)
